PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Okeelanta Plants 1,000 Acres Cane North Canal Point

Okeelanta Sugar Refinery, Inc., located in the southern part of Palm Beach county south of South Bay on Road 27, in the next few days will complete planting 1,000 acres of sugar cane in the Sand Cut area north of Canal Point. The 1,000 acres of land were purchased during the summer from Stanton Chastain, Anderson Chastain and Oscar Chastain for \$600,000.00.

For many weeks since the land purchase, workmen for the Okeelanta concern have been busy preparing the land for the sugar cane planting. Ditches were cleaned, new ditches dug and many other improvements made in order that the land might be put in readiness for the cane planting. Seed cane from the concern's operation south of Lake Okeelanta and some from other sources was planted at Sand Cut.

Labor for the planting of the cane was hauled by huge trucks from the home base operation, arriving early each morning and leaving each afternoon for the Okeelanta and South Bay area. Rains during the past few weeks slowed the planting operation but successful operation of the concern's pumps kept the land in fairly good condition for planting. Only for a few days did they bring their work to a complete halt. This halt was only temporary and completion of the planting will be realized this week or the first of next.

Plans call for transportation of sugar cane grown on the 1,000 acre tract to the mill south of South Bay by semi trailer trucks. Damer rumor has it that the Okeelanta concern is negotiating for more land in the Sand Cut area and should this plan materialize there is a remote possibility that a grinding mill may be constructed in that section.

Blue Devils Play Fort Pierce There

The Pahokee Blue Devils will travel to Fort Pierce this Friday night, still seeking their first win of the season, and victory never comes easy to Coach Web Pell's men in the Eagles' nest.

The Blue Devils gave the league-leading Forest Hill Falcons quite a scare on rain-soaked Lair Field last Friday night as the fourth quarter got under way with the Pahokee eleven ahead of the visitors by one point, 7-6, and poised for a victory. But an upset was not in the cards.

The Falcons lucked out with an 8-7 win by virtue of a safety in the fourth quarter when the Blue Devils, trying to punt deep in their own territory, found the slippery ball hard to handle and had to ground it behind their own goal line. The Blue Devils tried desperately to come back and save the game in a strong attack that took the ball close to the Falcons' goal line but pass attempts for the TD were unsuccessful in the closing moments of the contest.

Biscuits, Trailer Dunked In Canal

35,000 pounds of refrigerated canned biscuits were dunked in the St. Lucie Canal at Port Mayaca around 7 a. m. Monday when a tractor-trailer, driven by David Hood of Pleasure Ridge Park, Ky., and headed for Miami, crashed through the lowered gates of the highway bridge, as the draw section was being opened to allow passage of an approaching cabin cruiser, and plunged into the deep waters of the canal, sinking to the bottom. Hood, freeing himself from the cab after it filled with water, swam to the surface where he was rescued from the swift current by the occupants of the cruiser, who threw him a line. Damage was estimated at \$20,000.

Auxiliary Group Hears Com. Rardin

County Commission Chairman Paul Rardin of Canal Point was guest speaker at the October meeting of the Palm Beach County Sheriff's Auxiliary held at the Pahokee Woman's Club Monday night, with Mrs. E. T. Wells of West Palm Beach, president, presiding. Introduced by Sheriff John Kirk, the speaker explained some of the work of the Commission in the operation of County Government. He also told of the increase in duties of the sheriff's department during the past 16 years. Sheriff Kirk also spoke briefly.

Mrs. Well introduced Mrs. Lee Wroten of Pahokee, vice president, who was in charge of dinner arrangements. Mrs. Wroten thanked Deputy Sheriff Frank O'Connell and members of the hostess committee for their work in preparing the dinner. The committee included Mrs. Charlene Stuckey, Mrs. Gibb Cross, Mrs. Thomas Elliott, all of Pahokee; Mrs. Robert Griffin and Mrs. Theo York of Belle Glade, and Mrs. Frank Prevatt of Bean City.

Following the dinner, Deputy Sheriffs John McCants of West Palm Beach and Frank O'Connell were surprised and honored by special songs from the group, the occasion being their birthday anniversaries. Each was presented with a birthday cake. Mr. and Mrs. Copeland of West Palm Beach were guests.

McKee Is Praised In Board Resolution

The county commission this week adopted a resolution of memorial in the death of veteran employee R. Bruce McKee who died October 3 while in a Texas hospital.

McKee would have been eligible for retirement from the county in January next year, having begun his duties with the board as a deputy clerk in 1941.

He was named executive secretary to the commission in 1948 and in 1957 was named comptroller—a post he held until his death.

Mrs. James S. Wilson, daughter of Mr. and Mrs. R. W. Sanders of Pahokee and a former resident here, is recuperating from surgery performed recently at a Miami hospital.

Make Plans For Pahokee Carnival

The annual Halloween carnival sponsored by the Pahokee Parent-Teacher Association will be held on the old athletic field adjoining the elementary school Monday evening, Oct. 31, according to plans announced by J. H. Wilkinson, Jr., finance chairman, at the November PTA meeting Monday night. He asked each school room representative to confer with him immediately in regard to the kind of booth the room will sponsor at the carnival, which will open at 6 p. m.

A budget for the new year, presented by Mr. Wilkinson, was adopted. The monthly attendance awards were won by Mrs. Kathryn Cunningham's first grade room and Mrs. Edna Maxson's first grade (a tie) at the elementary school and by the 12th grade at the high school.

A program, "Knowing More About Your School," was presented by Principal Herman Austin of the elementary school and Principal Brooks Henderson of the high school. Mr. Austin spoke briefly on some of the causes of variations in the ability of children to learn, and introduced Mrs. Kathryn Cunningham, first grade teacher, the only elementary school teacher in Palm Beach County who received the Career Increment Award.

Mr. Henderson told of the various (continued on page 8)

First Sweet Corn Shipped From Lake

The first sweet corn of the fall season in the Glades area was harvested Thursday of last week by Hutton Brothers, Inc., Pahokee vegetable growing firm. A total of approximately 1,000 crates of corn, packed in the field, was pre-cooled and sold by Joe Hutton, Inc., at the Pahokee State Farmers Market.

The corn was grown on newly cleared, well-drained muck land several miles east of Canal Point. Of golden security variety, it was a small ear but kernels were well filled out to the tip of the cob, and on the whole, the corn was of excellent quality considering the adverse weather conditions under which it was grown, including the high winds attendant to Hurricane Donna and the flooding rainfall that fell through the month of September. It is reported to have sold for \$2.25 a crate.

Vandegrift - Williams Farms started harvesting sweet corn this week and several other growers will soon have corn ready to pull. The price jumped to \$3 a crate this week. Quality is good but yields are light. The fall crop of Sweet Corn and other Glades vegetables will be lighter and later than usual because of the excessive September rainfall that flooded out many fields of growing vegetables and held up plantings.

Mr. and Mrs. H. J. Anderson had as guests Mr. and Mrs. Arthur Landry and Mrs. Landry's parents, Mr. and Mrs. Lawrence Cowette, of New Hampshire; also her aunt, Mrs. Doris Rokans, of Lawrence, Mass.

Graveside Service For Infant Collier

Graveside services for Preston Frederick Collier, 26-hour-old son of Mr. and Mrs. John Collier of Canal Point, were held at the Port Mayaca Cemetery Wednesday at 3 p. m., with Elder Reuben Barfield, pastor of the First Baptist Church of Canal Point, officiating.

The infant, born at the Everglades Memorial Hospital Sunday, Oct. 9, died there Monday night. Survivors, in addition to the parents, are two brothers, John, Jr., and Joseph Ronald; grandparents, Mr. and Mrs. J. F. Collier and Mr. and Mrs. Lewis Allman of Flatrock, N. C.

Williams-Wetherington was in charge of arrangements.

Farm Bureau Holds Annual Barbecue

New directors were elected by the Everglades Farm Bureau at the annual membership dinner meeting held in the Community Building at the Glades Park, Canal Point, Thursday night of last week with President Walter Kautz of Canal Point presiding and 300 persons attending.

Directors elected for three-year terms each were Cecil D. McClure of Belle Glade, E. R. Mackey of Lake Harbor, Hilton Jones of Pahokee and Walter Kautz. E. L. Pope of Pahokee was chosen to fill the unexpired term of office of Lester Hand who recently resigned from the board of directors. Robert D. Stokes of South Bay, Christino Figueroa, J. K. Baker of Belle Glade and Walter Kautz of Canal Point were named delegates to represent EFB at the State convention of the Florida Farm Bureau in Jacksonville, Nov. 13-15. The new board of directors will elect officers for the coming year at a meeting in the Belle Glade Chamber of Commerce office, Oct. 20.

Guest speaker was Wayne Mixson of Gainesville, FFB director of industrial relations and commodity activities, who was introduced by Charlie Collins of Avon Park, FFB field man. Also on the program, Roy Vandegrift, Jr., of Pahokee spoke on "Labor Problems Faced by Glades Farmers," and Miss Betty Johnson of Canal Point sang two vocal solos, accompanying herself at the piano.

The group adopted a resolution favoring an increase in the sugar cane acreage quota for domestic production by Florida farmers.

Mrs. Robert D. Stokes of South Bay was in charge of dinner arrangements. J. K. Baker supervised the barbecue. Families of members were guests.

New Police Car Bought By Pahokee

The Pahokee City Council in regular session at the city hall opened bids for the purchase of a new police patrol car and accepted the offer of the Pahokee Motor Company to sell the city a 1961 Ford sedan, meeting the specifications of the police department, at a cost of \$1,777.10 plus the 1958 Ford sedan that the new car is replacing traded-in on the transaction.

Lions Are Selling Subscriptions To Everglades News

Several underprivileged children in the Glades area are going to be furnished eye glasses, as a result of a campaign being waged by the members of the Pahokee Lions club whereby they are earning money for the project by selling subscriptions to The Everglades News.

Already the Lions club has earned enough money to purchase several pairs of glasses for the underprivileged children. The sales contest is continuing and D. B. Mathis, chairman of the sight committee of the Lions club, said yesterday that members slowed down a little in their sales last week but are determined to earn another large chunk of cash this week and next.

Publisher Paul Rardin made the Lions club an unusually good proposition on the subscription selling idea. A large commission—not usually earned on any commodity—has been assured the Lions and their commission payments have agreeably surprised members of the club.

If you are not a subscriber to The Everglades News—the paper that carries news of churches, schools, civic activities, garden clubs, women's clubs, BPW clubs, Sororities, farm operations, sugar cane plantings, and a dozen and one other things—you should see a member of The Lions club today and have your name put on the subscription list. The cost is nominal—\$2.00 per year.

Funeral Services Mrs. Jessie Cross

Funeral services for Mrs. Jessie N. Cross of Canal Point, 78, were held at the Canal Point Baptist Church Wednesday at 10 a. m., with the Rev. Charles D. Stewart, pastor, officiating and the Rev. Charles Crauswell, pastor of the Pahokee Church of the Nazarene, assisting.

Mrs. Cross died Monday morning at the Everglades Memorial Hospital after a short illness. A native of Live Oak, Fla., she came to Canal Point from Live Oak in 1932. She was a member of the Advent Church in Live Oak.

She is survived by a daughter, Mrs. Alma Nall of Canal Point; two sons, Marvin Cross of West Palm Beach and Harry Cross of Fort Lauderdale; three sisters, Mrs. Florence Gronto of Fort Myers, Mrs. Joanna McCloud of Port St. Joe, and Mrs. Mamie Wakefield of Jacksonville; five grandchildren and one great grandchild.

Funeral services were O. H. Sheppard, Boyd Voorhes, Sam Scruggs, Earl Maxson, Grady Echols and Dewey Hughes.

Burial was at the Live Oak Cemetery. William Wetherington Funeral Home, Pahokee, was in charge.

Mr. and Mrs. J. L. Reeves leave this week to spend a two-week vacation with their son and daughter-in-law, Mr. and Mrs. Albert Graves, and son, Steve, in Augusta, Ga.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Following the lead of Commissioner Roy Michael, Jr., the county board this week delayed action on bids for two bookkeeping machines after one of the bidders said he had not been invited to submit a bid, but did so anyway.

Ed Lambert, sales representative for the Burroughs Corp., said he had not been invited to bid because a machine of a competitor was made part of the specifications. He called the action "close out bids." Lambert submitted a bid of \$11,827.50 for two machines and the National Cash Register Co., a

bid of \$14,181.88.

Commissioner Michael asked that a committee be named to study both bids and report back to the board. Named to the committee were Commissioners Ben Sundy, and Lake Lytal, County Engineer Steve Middleton and Comptroller J. Paul Icard.

The commission this week also received bids for bridge piling and bridge timber, tractor and mowers, dry goods for the county hospital and for construction of a right turn lane at State Road A1A and SR 802.

Metro Delivery Speeds Up Mail

Mail Volume in the Metro area contributed to a new national record of nearly 64 million pieces, including a billion pieces of parcel post, during fiscal year 1960 ending last June 30, Postmaster Edythe Smith said.

Based on advance information from the Annual Report of the Department which has been made available to Postmaster Edythe Smith, it was revealed that the present day figures represent an increase of 25 per cent over the 1953 volume which totaled 50.9 billion pieces.

This increase, along with a sharp discontinuance of mail-carrying trains in recent years, has helped foster a complete revolution in postal transportation including far more extensive use of highway vehicles, he said, adding that the transportation pattern for Florida has undergone many changes.

Free Toll Rides On Florida Turnpike

A new twist in official openings of Sunshine State Parkway interchanges has been arranged by County Commissioner Roy E. Michael, Jr., for the Friday dedication of the new Lake Worth interchange.

Michael said motorists attending the official opening will be given free passes during the dedication—one-way trips to any spot on the pike between Miami and Ft. Pierce. Special permission to issue the passes was arranged by Commissioner Michael in cooperation with the Turnpike Authority.

County Commission Chairman Paul Rardin is in charge of the dedication and will be master of ceremonies for the opening set for 10:30 a. m. Saturday.

The ceremony will include introduction of civic and political leaders who have had a part in paving the way for construction of the new interchange—a project underway since last spring.

The general public is invited to attend the event, Michael said.

Tax Hearing Is Scheduled Today

Another in a series of hearings being held by the state legislature's interim committee on finance and taxation—the first ever held in Palm Beach County—will be held at West Palm Beach Friday Oct. 14.

State Rep. Emmett Roberts, Belle Glade, vice chairman of the legislative group, said he had arranged the meeting here in response to a number of requests from local business and civic leaders.

Principal topics of discussion at the session will likely center around proposed repeal of present intangible tax laws, merchant's inventory taxes and ad valorem taxes.

Roberts said the committee's responsibility is to gather data from hearings such as the one set for West Palm Beach; to evaluate the citizen's opinions and suggestions and then to recommend proposed changes in state tax laws to the legislature. The whole field of taxation is within jurisdiction of the committee, Roberts said.

In addition to the expected audience participation in the three fields of taxation mentioned here, the meeting will also include a report from the committee members on accomplishments made to date by the group.

Reports on two college research programs on taxation — studies made at the University of Miami and at Rollins College—are also

expected to be unveiled at this meeting, Roberts said.

The committee is made up of twelve legislative members and the session here will be under the chairmanship of Rep. Beth Johnson, Orlando, the only feminine member of the Florida legislature. Previous meetings have been held at Pensacola, Jacksonville, Miami, Tampa and Orlando.

The West Palm Beach hearing will be held in the county commission meeting room and will get underway at 9:30 a. m.

4,877 Folks Get State Welfare Aid

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 4,877 persons were assisted in the four categories of public assistance for the month of September.

A total of 1,731 persons received Old Age Assistance in the amount of \$38,096.00. 84 persons received Aid to the Blind, totaling \$5,153.00. 746 families, representing 2,261 children, received Aid to Dependent Children in the amount of \$46,763.00. 195 persons received Aid to the Disabled in the amount of \$11,038.00.

In addition 385 children received service during the month, 183 of whom were in foster homes. The total state and local cost for these child welfare services was \$12,638.66.

There were 14 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

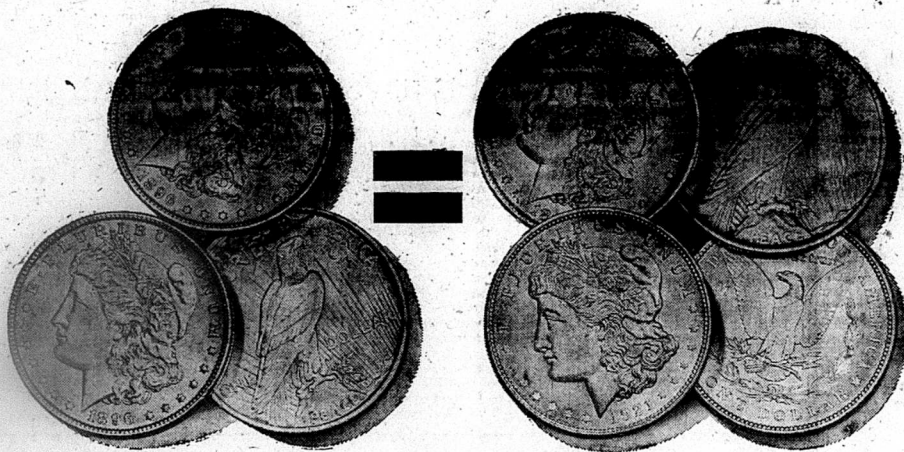

Palm Beach County is also represented on the District 10 Welfare Board by the Rev. Paul M. Cassen, Mrs. Helen R. Tedder, Mrs. Helen D. Woodward, West Palm Beach, and Mrs. Doris Sasser, Pahokee.

Teacher - Parent Meetings Planned

As has been the custom for the past several years a teacher-parent conference day has been set aside by the Board of Public Instruction to enable parents and teachers to get together and discuss the school program of the children. It will be impossible for the teachers to see each one of the parents on that day, a schedule of visits will be arranged.

Each parent will receive a letter from the school explaining the purpose of the conference and asking their cooperation in this very important visit.

Here's what the new 3¾% interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new 3¾% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

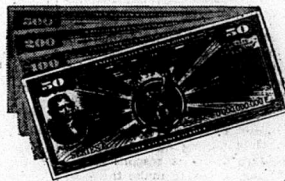

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money
with U.S. Savings Bonds

Mr. and Mrs. Ray Langford were visitors in Avon Park over the weekend.

Mr. and Mrs. Grady Chancellor and Mr. and Mrs. I. S. Guthrie had as guests Sunday Mrs. K. Davis of Punta Gorda, and Mrs. Mary Whidden of Bare Beach.

Dr. and Mrs. L. W. Armstrong visited their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong, and family at Hialeah Sunday.

Mr. and Mrs. Ray Smith spent the weekend with relatives in Plant City.

Mr. and Mrs. Ellis Murphy and son, Pat, visited his brother, O. M. (Mack) Murphy Sunday at the Martin County Memorial Hospital, Stuart, where Mack is recuperating from a heart ailment. They were accompanied back to Pahokee by his brother-in-law and sister, Mr. and Mrs. D. C. Barger and family of Miami.

Mr. and Mrs. Buddy Cox of Rockledge plan to spend this weekend with relatives and friends in Belle Glade and Pahokee.

Johnny Smith, freshman at the University of Florida, visited his parents, Mr. and Mrs. R. T. Smith, here over the weekend.

Dr. and Mrs. L. W. Armstrong will entertain at their home this Friday night with a card party. Two tables of bolivia will be in play.

Mrs. Gertrude Burney, mother of Mrs. C. G. Willis, is a patient at the Everglades Memorial Hospital this week after suffering a slight stroke on Monday.

Mr. and Mrs. Henry Stewart of Fort Pierce visited her brother-in-law and sister, Mr. and Mrs. Bill Unwin, at Pahokee Sunday.

Mr. and Mrs. Leon Guthrie had as a guest over the weekend their daughter, Miss Gail Guthrie of Miami.

Mr. and Mrs. Luke DuFresne spent Sunday at Deland visiting their grandson, Grant Chase, a student at Stetson University.

Mrs. I. S. Guthrie is ill at her home on Bacon Point Road. She and Mr. Guthrie had as visitors over the weekend their son and daughter-in-law, Mr. and Mrs. J. W. Guthrie, and granddaughter, Margie, of Miami; their grandson, Mickey Guthrie, and his wife and daughter, former Indian town residents who recently moved back to Miami.

Mr. and Mrs. Jack Phillips and sons, John and Jim, of Fairfax, S. C., will arrive in Pahokee Tuesday for a visit with her parents, Dr. and Mrs. L. W. Armstrong. John and Jim will stay with their grandparents while their parents take part in the annual Kissimmee River Boatcade next week.

Kenaf Discussed At USDA Club Meet

The monthly luncheon meeting of the Everglades USDA Club was held at the Community Building, Canal Point, Wednesday, October 5 with D. W. Fishler presiding.

The program was presented by Dr. F. Douglas Wilson, Geneticist, USDA, Everglades Experiment Station. Mills Byrom introduced Dr. Wilson, who discussed objectives and accomplishments in the kenaf breeding program since its inception at the Everglades Experiment Station in 1951. The basic objective, as stated by Dr. Wilson, is the development of kenaf varieties which will give the highest

annual yield of high quality fiber under existing environmental conditions and with the use of mechanized harvesting equipment.

Dr. Wilson pointed out that the most serious breeding problem at the present is the general susceptibility of kenaf to attack by root-knot nematodes. He discussed breeding work in progress which is an attempt to overcome this problem. Dr. Wilson illustrated his program with colored slides on the different aspects of his work. It was a very interesting and informative program.

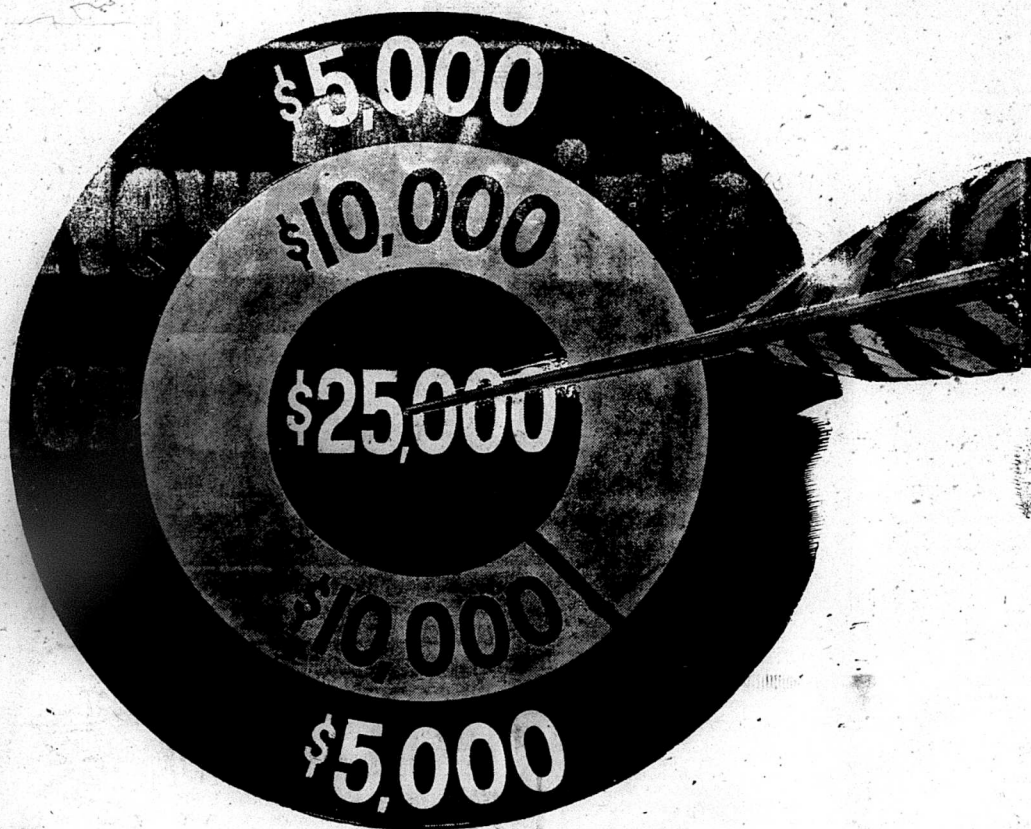

Kanai Lal Ghosh of India, a guest of the Club, was introduced to the members by Mr. Fishler. Mr. Ghosh has been appointed by the International Cooperation Administration to receive training in the United States on fiber crop production. He will work with staff members of the Everglades Experiment Station until December 16, and will then attend the University of Minnesota for the winter and spring sessions.

Griffin Bell, agricultural aide, USDA, Everglades Experiment Station, read the minutes of the previous meeting in the absence of Mrs. Dorothy O'Neal, Club Secy.

Members present were: B. A. Belcher, Virgil Bracker, Mills Byrom, Irene Doubt, P. H. Ducklesman, D. W. Fishler, Carl O. Grassl, V. E. Green, J. Frank Joyner, Jack Little, E. H. Todd, Robby Walker, Hiram Whittemore, F. Douglas Wilson, Donald Waddell, Carolyn Glover, Griffin Bell, T. E. Summers, W. T. Forsee, Jr., and Tom Breggar.

STETSON SPEAKER

Gary Hardin, a junior at Stetson University, who is studying for the ministry, will be guest speaker, delivering the spiritual message at both the morning and evening services at the Pahokee First Baptist Church, Sunday.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works.

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series K Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've put in them. And your Bonds will continue to pay that same good interest as long as 29 years and 8 months. That means a return of up to 30% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's automatic, safe and sure. Invest just \$10 a week. In 4 years you'll have Savings Bonds worth \$2000 or more. In 20 years, \$10,000.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government doesn't pay for this advertising. The Treasury Department thanks you for this public service, the Advertising Council and

Christian Science Group Of Canal Point

God's boundless love for man will be emphasized at Christian Science churches on Sunday.

Keynoting the Lesson-Sermon on the subject of "Doctrine of Atonement" will be the Golden Text from I John (4:10): "Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this will be read (19:6): "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit,—the law of divine Love."

Fall Art Exhibit Planned For Nov. 13

The Sigma Eta Society of Fine Arts, Omicron Chapter, made plans for its annual fall art exhibit at a meeting at the home of Mrs. Pearl Santee in Canal Point, with Mrs. Edna Barrett, co-hostess. The exhibit, to be a two-hundred type of display, will be held at the home of Mrs. Lillian Masonic in South Bay Sunday, Nov. 13, the public invited. Mrs. Bernice Sellers of Pahokee, exhibit chairman, will be in charge of arrangements.

The group voted to sell Christmas corsages and candy as a fund-raising project. Mrs. Masonic, finance chairman, will have charge of this project and will personally make the corsages. Plans were made also to sponsor a rummage sale in Belle Glade, Oct. 22. Mrs. Mabel Lutz of Belle Glade presided in the absence of the president, Mrs. Ruby Jones. It was announced the chapter will conduct a workshop at Mrs. Santee's home Monday, Oct. 24.

Bryant Interested In Sugar Quota

NEW YORK — Farris Bryant, Florida's Democratic nominee for governor, has called for removal of federal restraints on sugar production.

He stated at a news conference that Florida could almost immediately triple present production of 140,000 tons of sugar a year and eventually increase output tenfold if the restrictions were lifted.

He called sugar a vital resource in time of war and a step up in production since Castro's regime started in Cuba becomes a matter of national defense.

Largest sugar cane producer in the state is U. S. Sugar Corp. in Clewiston. The company has thousands of acres in production in the heart of Florida's Everglades and plans are under discussion for further development of the industry.

TO HAVE MEETING

Palm Lake Associations quarterly meeting of WMU will be held at the Canal Point Baptist church, Thursday, October 20 at 10:00 a. m.

Mr. Paul Rardin
The Everglades News
Canal Point, Florida

Dear Paul:

Am enclosing a check for my subscription to the Everglades News as it is always enjoyed each week. I like to keep up with the County affairs and we are always interested in what is happening to our friends and neighbors in that area, where they go and who they visit, etc.

We are getting along reasonably well. Plan to visit Betty and her family in Athens next week and will see my sister in Griffin, a brother in Daholonega, and one at Ochlocknee.

Regards to Mrs. Rardin.

Sincerely,
H. L. Speer

Youth Fellowship Installs Officers

New officers of the Junior High Methodist Youth Fellowship were installed at the Pahokee First Methodist Church the first of the week, with the Rev. T. C. O'Steen, pastor, serving as installing officer. The new slate of officers includes Dottie Lair, president; Linda Wilson, vice president; Diana Graham, secretary; Elaine Adams, treasurer; Diana Hollon, MYF Fund treasurer; Paula Duke, sunshine chairman. Mr. and Mrs. Elmer B. Elliott are counselors for the group.

Quarter Million Bequest To Stetson

DELAND—Nearly a quarter of a million dollars has been left to Stetson University by a DeLeon Springs widow who became interested in the educational opportunities provided at the DeLand campus.

By terms of the will of Mrs. G. H. Van Der Heyden, funds totaling \$100,000 were provided for scholarships and the residue of the estate, estimated as between \$125,000 and \$150,000, for construction of educational buildings at DeLand. The scholarships were designed "for worthy students of all faiths."

Mrs. Van Der Heyden had no direct connection with Stetson University, but through the years developed an interest in the school and frequently attended campus music concerts. According to friends, she was an unassuming woman who showed quiet consideration of others. In her will, she specifically asked no repayment to her estate from any recipients of gifts, and no accounting from individuals or institutions. She asked that no building bear her name.

Mrs. Van Der Heyden died Sept. 27 and her husband 12 years ago. The couple came to this country from Holland where Mr. Van Der Heyden was prominent in financial and law circles.

HOME FROM SAN ANTONIO

Billy Wilson, Canal Point resident for many years, returned Tuesday from a 12 day trip to San Antonio, Texas, where he visited relatives—Mr. and Mrs. Don Huron. While in Texas Billy said they went across the border into Mexico where they saw a bull fight. One bull fight is enough for him, so said Mr. Wilson.

GARDEN CLUB MEET

Mrs. H. C. Graham of Pahokee will show colored slides of "Florida Flowers" at the October meeting of the Canal Point Garden Club at the home of Mrs. O. H. Sheppard Thursday at 3 p. m. President Doris Carter will preside.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for action. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic donation.

The Everglades News

PAUL RARDIN, Publisher

The Pahokee Patonettes are a newly formed Baton Corp under the direction of Pat Anderson. These little girls have only had 2½ months instruction but are fast becoming a good little marching group. Their first performance will be at the Junior Football Game next Tuesday night and the following Tuesday night. The leader for the group for the first performances will be Nancy Watkins. Other girls in the corp are as follows:

Kneeling left to right: Dianne Wilkinson, Beverly Wood, Sharon Hutton, Nancy Watkins, Jol Gee Crady, Julie Unwin, Debbie Culbertson, Kay Mills, Jan Unwin, Marsha Sullivan, Jackie Vandegrift, Debbie Cross, Jan Kemp, Glenda Brewer, Pam Brady, Jolene Wilkinson. Debbie Cox is also a member of the Corp but was not present for the picture.

Plans Are Made To Hold Charm School

The city council of the Beta Sigma Phi Sorority, at a meeting at the home Mrs. Donna Plumer with the president, Mrs. Lois White, presiding, voted to honor the new pledges of the Beta Omicron Chapter at a Coke party at the home of Mrs. J. T. Boynton, Oct. 19, with Mrs. Norman Aldridge and the social chairman of the three chapters on the committee in charge. Final plans were made for sponsoring the Alice Bell Charm School at Pahokee, Oct. 24 and 25, with courses for teenage girls to be offered in the afternoons and for women in the evenings. It was announced the sorority will again assist in the March of Dimes campaign next March by sponsoring the Mothers March on Polo in the Pahokee-Canal Point area. The next meeting of the council was set for Nov. 1 at the home of Mrs. Joan Tucker.

Reports on the council's actions were given at the meetings of the three chapters held separately on Thursday at homes of members.

The Rev. Robert A. Shelley of Canal Point was guest speaker at the meeting of the Xi Beta Tau Chapter at the home of Mrs. Lillian Hatton, with Mrs. Willola Moss, president, presiding. Introduced by Mrs. Norman Aldridge, he spoke on "The Good Life." Plans were made for a steak supper at the home of Mrs. Richard Nason, Oct. 15, with Mrs. Lois White, social chairman, in charge, and husbands of members to be guests. Mrs. Moss will be hostess at the next regular meeting, Nov. 3.

Rushes of the Beta Omicron Chapter, Miss Lynnette Hammond, Mrs. Lester Hutton, Mrs. William Hatton, Mrs. John Zimmerman and Mrs. Elmer B. Elliott, Jr., were introduced by Mrs. W. A. Cross, Jr., vice president, at the chapter meeting at the home of Mrs. J. V. Thomas, Jr., with Mrs. Jimmy Moore, president, presiding. The social events calendar for the year was presented by Mrs. Julian Branch, chairman. Mrs. C. L. Shirley, Jr., announced Mrs. Earl Maxson of Xi Alpha Mu has been named general chairman of the sorority's annual Valentine dance. Mrs. Moore briefly reviewed highlights in the history of Beta Sigma Phi, and Mrs. Thomas presented the program, "Your Poise and Charm." Mrs. Salvatore will be hostess at the next meeting, Oct. 20.

Mrs. Ruth Tillery was re-instated as a member of the Xi Alpha Mu Chapter at the meeting at the home of Mrs. Cornelia Chase, with Mrs. Kay Sears, co-hostess, and President Joan Tucker presiding. It was announced tickets for the Alice Bell Charm School, Oct. 24 and 25, may be obtained from Mrs. Jennie Wilson, Mrs. Wilma Alley and Mrs. Donna Plumer, the committee in charge; also that tickets for the courses for teenage girls are being sold by the girls of the Future Homemakers Association, half the net proceeds to go to FHA. Recipes of Russian food dishes were distributed by Miss Barbara Myatt. Plans were made for a buffet supper at the home of Mrs. Helen Jean Boynton, Oct. 23, at which Alice Bell will be guest of honor and husbands will be invited. A Monte Carlo party at the home of Mrs. Gethie Friend on Nov. 12 was also planned.

Girl Scouts Meeting At Mrs. Plumer-Home

The Girl Scout Cypress Neighborhood association met at the home of the chairman, Mrs. William S. Plumer last week when Mrs. Calvin Spooner and Mrs. "Billy" Sheffield were welcomed as leaders of the newly organized Brownie Troop make up of third-grade school children; and Mrs. Ed Culbertson and Mrs. James Smith, Jr., leaders of the new Girl Scout Troop 128, composed of sixth graders.

Mrs. Glenn Brower and Mrs. F. S. Parrish of the troop organizer committee, reported a new Brownie troop, made up of second graders, is in the process of being organized and will soon start to meet regularly.

It was announced a scout leaders' orientation course will be given for the new troop leaders later this month. Mrs. Glenn Brower and Mrs. Jean White of Belle Glade to serve as instructors; also that a scout leadership course will be given at the Belle Glade Scout Hut Nov. 2, 9 and 12 and on Wednesdays for six weeks following.

Mrs. E. C. Johnson, leader of senior troop 38, and her Scouts volunteered to get the room, donated by the First Methodist Church (or use by Girl Scouts, in condition for scout work. It will be used by the troops for a workshop and the storing of supplies.

Plans were made for the annual sale of Girl Scout calendars.

Sod Busters Learn Plant Propagation

The first regular meeting of the season of the Sod Busters Garden Circle was held at the home of the president, Mrs. Barbara Wilder, Tuesday, when Walt Whitaker of the Kilgore Seed Company gave a demonstration of air-layering and budding methods of propagation of plants and told what flower seeds can be used to advantage in South Florida. The speaker was introduced by W. E. McCall. Mrs. Wilder was in charge of program arrangements. Mrs. Frank Friend, president of the Pahokee Garden Club, a visitor, announced a flower arrangements school will be held at Belle Glade, Oct. 27-29.

The day following the meeting the circle held a workshop at Mrs. Wilder's home to practice air layering and budding. It was announced the next business meeting will be on Nov. 1 at the Wilder home, this meeting also to be followed by a workshop the day following.

Make Plans For—

(continued from page 1)
ways the high school curriculum attempts to meet the needs of all students. He introduced instructors who are teaching special courses at the school, including Edward R. Popper, industrial arts; Joshua Seaver, diversified cooperative training; and Reginald Whiteside, sciences. Each of the instructors spoke of his work at the school in introducing special courses.

Mrs. R. B. Simonson, program chairman, announced Col. Ellis Altman, Civilian Defense director, will be guest speaker at the November meeting. Mrs. Herman Kautz, hospitality chairman, and her hostess committee served refreshments in the cafeteria following the program.

Prebyterian Circle Hears Mrs. Bosworth

A Bible study on "Living in Christ," with emphasis on stewardship, was presented by Mrs. Mae Bosworth at the November meeting of Circle Five, Women of the Everglades Presbyterian Church, held at Mrs. Bosworth's home in Pahokee, with Mrs. R. A. Leflin of Canal Point, chairman, presiding. The group made plans to donate supplies to the church nursery. It was announced Mrs. Roy Vandegrift, Sr., Mrs. Bosworth and Mrs. Laffin will be hostesses at a general meeting of the Women of the Church in Belle Glade, Oct. 18. Mrs. Vandegrift will be hostess at the next meeting of the circle at her home Nov. 1.

AT HOSPITAL

Among the patients at the Everglades Memorial Hospital Tuesday were Slade Turbeville, Mrs. Gertrude Burney, Mrs. Mamie Prince, Mrs. Mollie Watters, Miss Patricia Mannong, Mrs. Etta Mae Collier, James Miller, Mrs. Wanda Pickett, Mrs. Annie Walker and Mrs. Minnie Belk.

LT. MCCOY VISITS

Lt. David McCoy, who has been in training in the U. S. Army for the past month at Fort Sam Houston, Texas, is spending a week visiting his parents, Mr. and Mrs. W. G. McCoy, and brother-in-law and sister, Mr. and Mrs. Alex Johnson, in Pahokee while being transferred to Fort Belvoir, Va., where he will be stationed. On Tuesday he accompanied his mother and sister to Miami where they visited his brother, W. T. McCoy, and family.

Brumback Named To Welfare Spot

The county commission Monday approved the appointment of Dr. C. L. Brumback as director of the county welfare department succeeding Dr. W. E. Vanlandingham who retired October 1.

They also approved the appointment of Mrs. Laura Burkhard, Lake Worth, as assistant home demonstration agent to succeed Mrs. Elizabeth Pierce who resigned.

Local Girls 4-H Club Meeting Is Held

The Canal Point Girls 4-H Club held its first meeting of the year, Oct. 6th in the school Auditorium. The new leader is Miss Miriam Lo Pinto, Assistant Home Demonstration Agent.

This being the first meeting of the year officers were elected:

President—Gail Reeves
Vice President—Jewell Sykes
Secretary—Sharon Johnson
Devotional Chairman—Shirley Trett
Reporter—Sandy Weeks
Song Leader—Nancy Harrington

CARD OF THANKS

To our many friends in Canal Point, Pahokee, Belle Glade, South Bay and Clewiston, we wish there were words that could express our love and gratitude for your many expressions of kindness and love, not only at the time of our Loved One's passing, but also during the long months of his illness. We love you and may God bless each of you.
The B. Elliott family.

SALES and SERVICE

Heating — Air Conditioning — Appliances

flameless electric cooking

is the modern way for a modern day

CLEANER! Flameless electricity won't smudge spots and pans nor produce soot and greasy film to dirty your kitchen walls and curtains.

COOLER! Flameless electric cooking keeps the kitchen 8 to 16 degrees cooler than flame-type units which emit heat along with soot and other products of combustion.

EASIER! Electric ranges automatically provide exactly measured heat at fingertip control.

SAFER! Electricity is flame-free, fumes-free for precious peace of mind. No danger from open flames. No constant-burning pilot light. Safe as an electric light bulb!

BETTER! Flameless electric cooking preserves food color, flavor and healthful minerals. Vitamins are not "boiled away." Up to 15% less meat shrinkage.

CHEAPER! The operating cost of a modern electric range is about a penny a meal per person. Sunshine Service electricity is the biggest bargain in town.

See your electrical appliance dealer today and enjoy the blessings of flameless electric cooking.

• There are good reasons why nearly a million Florida families have switched to electric cooking. Call your nearest FPL office and get the facts.

There's no Match for Electric Living
